As grounds for this application, Cronos states that service of the maritime garnishment writs will be straightforward, on garnishees located in this District. Utilizing private process service will conserve the resources of the United States Marshal. Cronos will, upon service, promptly cause returns of service to be filed in this case.

Supplemental Rule B(1)(c)(ii) provides in pertinent part as follows:

(ii) If the property is other tangible or intangible property, the summons, process, and any supplemental process must be delivered to a person or organization authorized to serve it, who may be (A) a marshal; (B) someone under contract with the United States; (C) **someone specially appointed by the court for that purpose**; or, (D) in an action brought by the United States, any officer or employee of the United States.  
(Emphasis added).

Cronos therefore respectfully requests that this Court grant this application and herewith files a draft Order.

Dated: January 27, 2013

Respectfully Submitted,

/s/ Gary R. Clouse
